

Dear Friend,

What can we ask of life, but the enjoyment of God's finest gifts, the love of family and friends and joy in what we can do for others? All of these blessings, in some measure, contribute to the product you hold in your hands.

Our success in bringing you breakfast and snack food you can enjoy day after day begins with our family and our commitment to offer you only the best. We invite you to enjoy the quality, freshness and wholesome goodness we put into every bite. We create extraordinary "delights" for extraordinary people. And, they're all made with pride and a full measure of love just for you. May God bless you abundantly,

Michaelene
