Statement of Origin

Sweetened Dried Cranberries (SDCs)

Ocean Spray sweetened dried cranberries and BerryFusions® Fruits are prepared solely from cranberries grown in the United States and Canada of the commonly cultivated cranberry plant, *Vaccinium macrocarpon* (Genus/species).

United States growing regions include Wisconsin, Massachusetts, New Jersey, Washington and Oregon.

Canadian growing regions include Quebec and British Columbia.

The sweetened dried cranberries and BerryFusions® Fruits are “Made in the USA from North American Cranberries.” Additionally, the sugar from sugar cane used to sweeten these products and the sunflower oil which is lightly sprayed on these products, are both exclusively sourced from the USA.
