Foreign Material – not more than 1 piece of foreign material in 2,000 pounds. Free of metal contamination larger than 1.0mm Magnetic Steel, 1.2mm Non-Magnetic Steel, and 1.5mm Non-Magnetic Stainless Steel.
Packaging	Product shall be in poly lined fiber boxes. Sealed top and bottom to prevent entrance of extraneous material, moisture and any other deleterious substance into the container. Boxes must be taped or glued; metal closing devices are not allowed.

Microbiological Specification:

Aflatoxin	<20 ppb
Peroxide Value	<5 meg/kg max.
Moisture	3.5% max.
Free Fatty Acid	1.0% max.
Aerobic Plate Count	20,000/g max.
Total Coliforms	<100
E. Coli	Negative

Yeast & Mold <10,000/g
Salmonella Negative

Shipping: Certificate of Analysis to accompany shipment. Pre-inspected container, sealed. Lot codes must match Bill of Lading. All carriers must be inspected during unloading. No non-food items in shipment, no odorous items in shipment. Product, packaging and pallets must be free from dirt, insect or rodent activity, off odors and any other chemical or deleterious substance that could be a hazard to the product. Seals must be intact and match number on bill of lading. Loading inspection sheets must accompany bill of lading. LTC must be mechanically sealed by driver.

Labeling: All cases or containers shall be labeled as to their contents, place of packaging, weight and production lot. Each vendor shall supply the Sunrise Commodities Quality Control Department with an explanation of its lot numbering or coding system. If the production date is not included in the coding system, it shall be incorporated within the product labeling format.

Change Notice: Supplier will provide written notice to Sunrise Commodities of any changes in formulation, process or composition which could affect any specification characteristic. Specifications may not be superseded or modified orally. Modifications or waiver effective only when in writing and signed by appropriate authority. Material supplied under this specification must comply with the U.S. Food and Drug Laws and supplier must execute continuing guarantee agreement to this effect.

Shelf Life: 12 months

Storage: Cool, dry, odor free storage, out of direct sunlight.
